Mr. A. B. Thiruvengadam, Laboratory Clerk, Thippagondanahally.

Letter No 2019-20/E dated 6-9-1946 from the Chief Engineer for Irrigation.

Govt in their order No P.W. 6242-44/51-20-45-5 have sanctioned the revision of the scale pay of the Laboratory Clerk at Thippagondanahally from Rs 30-3-45 to Rs 50-4-70.

2. Mr. A. B. Thiruvengadam is doing the work of analysis of water at Thippagondanahally. He is stated to have undergone a course of special training as Bacteriological Analyst. In view of these facts the scale pay of the post was revised as stated in para 1 supra.

3. The CE states that Mr. Thiruvengadam has been drawing the pay of Rs 45/- + Rs 7 P.A. since March 1943 and that the revision of the grade does not give any immediate benefit to the official. He, therefore, recommends that the initial pay of the official may be fixed as Rs 54/- in the revised grade of Rs 50-4-70. The date from which he is to be given Rs 54/- has not been intimated. It is presumed that it will be from the date of the order (7-3-46) sanctioning the revised scale. The proposal

A revised grade of 30-4-76 was sanctioned to the Laboratory Clerk Mr. A.B. Tiruvengadam, who is doing the daily Water analysis work at the Sir M. Visvesvaraya Chamarajendra Reservoir. He was drawing Rs 45 in his old grade of 30-3-41, with Rs 5 as personal allowance i.e. Rs 50 in all. His promotion to the new grade has not therefore immediately benefited him.

C.E.I. requests that considering his three years' stagnation on Rs 45 in his old grade, he may be started on Rs 50 in the new grade i.e. get one advance increment. The usual rule is to give 1 advance increment for a stagnation of 5 years. The present one is only 3. His actual pay also was only Rs 45 & he has now got Rs 50 with a better grade. The proposal may not perhaps be accepted.

Sir,

Mr. A. B. Thiruvengadam, Laboratory Clerk, Thippagondanahally.

Adverting to Government Order No. P.W. 6242-44/Est. 20-45-5 dated 22-3-1946, sanctioning a revised grade of Rs. 50-4-70 to the Laboratory Clerk, I have the honour to state that the incumbent of the post Mr. A. B. Thiruvengadam has been in receipt of a pay of Rs. 45/- in grade Rs. 30-3-45 plus an allowance of Rs. 5/- since March 1943 and that the revision of the grade does not offer any immediate benefit to the official in-as-much as he will have to wait for a year for an increase in his emoluments.

2. In view of his stagnation on Rs. 45+5 for 3 years, I recommend that sanction of Government may kindly be obtained and communicated to the grant of an initial pay of Rs. 54/- in grade Rs. 50-4-70 to Mr. A. B. Thiruvengadam. Mr. Thiruvengadam has been trained in the Central College for 3 years in Bacteriological studies of water and his work is reported to be very satisfactory. In view of the special circumstances of the case, I request that the recommendation made above may be viewed sympathetically.

I have the honour to be,

Sir,

Your most obedient servant,

GCS/5th.
